

# 971 MUIRA

Versatility and fit make this backpacking and hiking boot a perfect choice for anyone wanting more support for longer or more rugged adventures

Slingshot rand is connected to the Powerhinge under the arch of the foot to allow and control stretch towards the back of the shoe when standing on small edges

“Sportiva’s premier rock shoe! Works well on all types of hard rock climbing but really shows its magic on small edges” —Tommy Caldwell

Vibram® XSV rubber is durable and super sticky

Eight panel directional construction Dentex lined upper for channeling stretch to enhance edging power

A La Sportiva innovation— speed lacing system for quick precise fit
